

Technical & PCRef Books

Internet Yellow Pages

Browse through over 5,000 entries and find anything and everything you need on the Internet with just the turn of a page!

Description	Part#	Price
Internet yellow pages	OS9987	\$7.88

Repairing Monitors

Solutions to monitor problems. Covers the latest technology and features step-by-step troubleshooting flowcharts.

Description	Part#	Price
Troubleshooting and repairing monitors	TAB5734-6	\$15.88

ISDN Implementor's Guide

Straightforward book with step-by-step guidance on implementing ISDN without detailed standards and protocols.

Description	Part#	Price
ISDN implementor's guide	MH4168	\$24.88

How to Test Anything Electronic

Learn how to use multimeters, oscilloscopes, signal generators, logic probes, voltmeters and more.

Description	Part#	Price
How to test anything electronic	TAB4127-0	\$12.88

Build Your Own PCBs

Step-by step instructions to learn how to transfer artwork to PCB blanks, etch copper patterns and more.

Description	Part#	Price
Build your own PCBs	TAB39519	\$17.88

Pocket PCRef

Over 500 pages of hard-to-find PC related information including a PC manufacturer's directory, hard drive data and more.

Description	Part#	Price
PC pocket ref	SEQ-PCREF	\$11.88

NEC Semiconductor Data

Data sheets on NEC's silicon and germanium detectors, laser diodes, pump laser diodes, LEDs and more.

Description	Part#	Price
NEC Electronics optical semiconductor	NECOPTO	\$6.88

Do-It-Yourself PC Book

This highly illustrated guide is the easiest way to master the art of upgrading, maintaining and repairing your PC.

Description	Part#	Price
Do-It-Yourself PC book	MH213377-5	\$19.88

Dallas Telecommunications

Data sheets of telecommunications products; Voice compression, T1, CSU's Line interfaces, framers and more.

Description	Part#	Price
Dallas Semiconductor Telecommunications	DSTELE	\$6.88

Motorola Books

FACT 74AC/74ACT Data

FACT uses a sub 2 micron silicon gate CMOS process to attain speeds similar to advanced low-power Schottky.

Description	Part#	Price
FACT 74AC/74ACT data	MOT138	\$4.88

MC68000 Family Manual

Detailed software instructions used by the microprocessors and coprocessors in the Motorola M68000 family.

Description	Part#	Price
MC68000 family programmers manual	MOT68000PM	\$7.88

MC68000 MPU Manual

A complete users' manual including information on characteristics of the Motorola M68000 Microprocessors.

Description	Part#	Price
MC68000 MPU user's manual	MOT68000UM	\$5.88

Rectifier Device Data

The Motorola Rectifier Device Data book provides data sheets for Motorola devices and a cross-reference indexes.

Description	Part#	Price
Rectifier device data	MOT151	\$7.88

MC68HC05/705C8 Guide

Contains functional data for the MC68HC705C8 MCU and information needed to use it in an application.

Description	Part#	Price
MC68HC05/705C8 applications guide	MOT68HC05AG	\$4.88

MC68HC705K1 Data

Complete data book for Motorola's MC68HC705K1 high-performance 8-bit microcontroller unit.

Description	Part#	Price
MC68HC705K1 technical data guide	MOT68HC705K1D	\$4.88

'Dummies' Series Computer Books

These easy-to-follow books provide a light-hearted look at technology from hardware to operating systems, delivered in clear, jargon-free language and in a fun, entertaining style.

Description	Part#	Price
America Online Simplified	IDG6033-6	\$12.88
Desktop Publishing for Dummies	IDG234-1	\$7.88
DOS for Dummies Quick Reference	IDG9885	\$5.88
Excel 97 Simplified	IDG6022-0	\$12.88
Excel 2000 for Dummies	IDG0446-0	\$12.88
Internet for Dummies Starter kit	IDG2376	\$7.88
Internet Explorer One step at a time	IDG3104-2	\$12.88
MAC for Dummies, 6th Ed.	IDG0398-7	\$7.88
Modems for Dummies	IDG3658	\$4.88
More Internet for Dummies	IDG1647	\$7.88
Office 95 for Dummies, 2nd Ed.	IDG917-6	\$7.88
Office 97 One step at a time	IDG3050-X	\$12.88
Office 97 Simplified	IDG6009-3	\$12.88
Office 97 Teach yourself visually	IDG6018-2	\$12.88
Office 2000 for Dummies	IDG0452-5	\$12.88
PowerPoint for Dummies	IDG0494-0	\$9.88
Time Management for Dummies	IDG3607	\$4.88
Time Management for Dummies, 2nd Ed.	IDG5145-0	\$12.88
Windows 95 for Dummies, 3rd Ed.	IDG370-4	\$7.88
Windows 3.x for Dummies Quick Reference	IDG008X	\$3.88
Windows 95 for Dummies Quick Reference	IDG1836	\$5.88
Windows 95 Teach yourself visually	IDG6001-8	\$12.88
Windows 95 Simplified	IDG662-2	\$9.88
Word 95 for Dummies	IDG980-X	\$9.88
Word 97 Teach yourself visually	IDG6032-8	\$12.88
Word 2000 Simplified	IDG60549	\$14.88
WWW and The NET Teach yourself visually	IDG6020-4	\$12.88

Small-Signal Transistors

Pinout and application data on discrete SSTs, FETs and more. Specifications and performance curves on data sheets.

Description	Part#	Price
Small Signal Transistors FETs and diodes	MOT126	\$5.88

SAMS Books

Exploring Office XP

This book shows you all the finer points of Office XP.

Description	Part#	Price
MC68HC05/705C8 applications guide	SAMS61233	\$29.88

Telecommunication

This book is an easy-to-use reference book with information on voice, data, fiber-optics, DSL, ISDN and more!

Description	Part#	Price
MC68HC05/705C8 applications guide	SAMS61225	\$29.88

Networking for Home

This text book takes all the mystery out of setting up and installing a home or small business network.

Guide to E-Commerce

This book is a comprehensive hands-on guide to creating and managing websites.

Description	Part#	Price
Administratoes guide to e-commerce	SAMS61187	\$24.88

Basic Electricity

This textbook provides a complete course in Basic Electricity. Learn about electron theory, conductors and insulators.

Description	Part#	Price
Basic Electricity	SAMS61041	\$24.88

Description	Part#	Price
MC68HC05/705C8 applications guide	SAMS61221	\$29.88
