

Buy Microsoft OEM Software and Save Big Bucks!

JDR is a Microsoft Gold Certified Partner, which allows us the opportunity to offer you Microsoft OEM software with the purchase of any piece of hardware. OEM software does not come in retail packing, nor does it include a hardcopy of the User's Manual (electronic version included on CD), however it does allow us to pass along substantial savings to you!

Backup Software

Retrospect backup software is easy-to-use and provides reliable, automatic backup for Windows. With a single click, you can quickly copy your files to any removable drive including Zip, Jaz, Superdisk (LS-120/240), CD-R/RW, DVDR/RW, magneto-optical (MO) and external hard drives. Now you can recover your data immediately, by restoring a single file or an entire hard disk in one easy step.
